Sir:

Applicants herewith cite the prior art cited on the enclosed Form PTO/SB/08A which may be material to the patentability of the application.

A copy of the prior art identified in the enclosed Form PTO/SB/08A is enclosed.

The prior art was cited by the German Patent Office in the prosecution of the German priority application.

In accordance with MPEP §§609 and 707.05(b) it is requested that each document cited be given thorough consideration, and that it be cited of record in the prosecution history of the present application and the patent to issue on the present application by initialing on the Form PTO/SB/08A.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of any

document herein is not to be construed as an admission that such document is necessarily relevant or prior art. Moreover, no representation is intended that any cited document represents the results of a complete search or that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104(a), and in the course of such search will review for relevance every document cited on the attached Form PTO/SB/8A even if not initialed.

Early examination and allowance are solicited.
